

How to set Device ID to appear in CMS Software

This will show you how to set the Device ID (VRN) how it will appear in the CMS software.

Menu

Default password (6666)

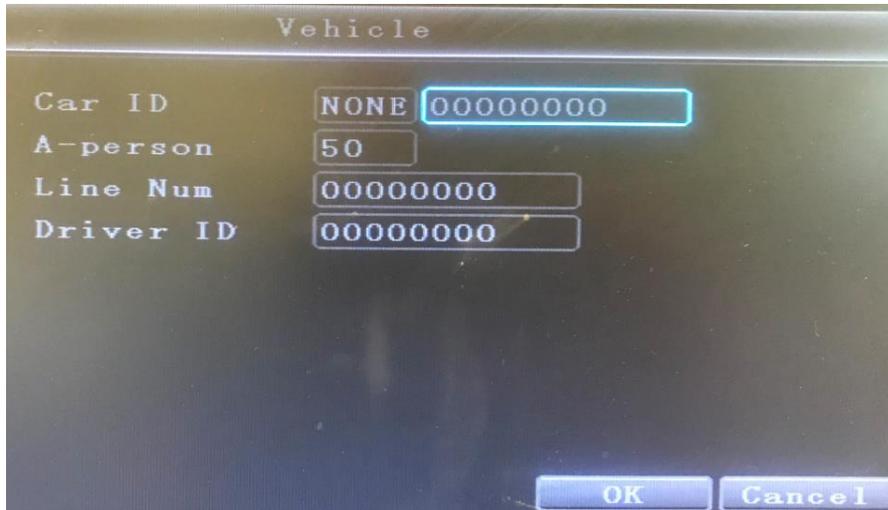

System

Vehicle

In here you can set the Vehicle ID as it will appear in the CMS platform.

The image shows a screenshot of a 'Vehicle' configuration window. The window has a title bar that says 'Vehicle'. Inside the window, there are four rows of configuration options, each with a label on the left and a text input field on the right. The 'Car ID' field is currently set to 'NONE' and has a blue selection box around it. The 'A-person' field is set to '50'. The 'Line Num' field is set to '00000000'. The 'Driver ID' field is set to '00000000'. At the bottom right of the window, there are two buttons: 'OK' and 'Cancel'.

Field	Value
Car ID	NONE
A-person	50
Line Num	00000000
Driver ID	00000000
